MEMORANDUM FOR: Chief, Manufacturing and Services Division, ORR

25X1A ATTENTION : [REDACTED]
THRU : Chief, RG/RB/CGS
FROM : Chief, CIA/PID (NPIC)
SUBJECT : Military Installations - China/Burma Border
REFERENCE : Requirement No. C-RR4-81,306 (Project No. C 705-64)

1. In response to Requirement No. C-RR4-81,306 (C 705-64), a study was made from available aerial photography of preselected areas along the China/Burma Border in order to locate military bases and supply depots. The information contained in this memorandum was derived from Missions

25X1D [REDACTED]

2. Area 1 - along the Salween River from 26 degrees north to 29 degrees north in Yunnan Province.

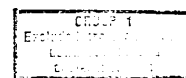

T'a-su Possible Military Camp (27 45N-98 36E), China, [REDACTED] located immediately north of T'a-su, the camp contains one possible admin/messhall, 6 barracks-type buildings, 4 large rectangular storage buildings and 2 buildings under construction. No comparative photographic coverage is available for this area.

3. Area 2 - along the Mekong River from a point (25 28N-99 15E) on the Burma Road to Yakalo (29 03N-98 03E) in Yunnan Province.

(a) Yung P'ing Military Complex (25 30N-99 30E), China, [REDACTED]
25X1D [REDACTED] - located immediately east of Yung P'ing; areas are individually secured and contain one large H-shaped admin building, 2 large rectangular admin/auditorium-type buildings, 20 messhalls, 145 barracks and numerous support/storage buildings. A supply depot immediately west of the complex contains 4 large storage buildings, 4 maintenance buildings, one possible messhall/admin building, one multi-wing building, a motor pool, and numerous associated buildings. Immediately north of the complex is a training area containing unoccupied firing positions and numerous trenches. A secured area containing unoccupied firing positions and numerous trenches. A secured area containing 6 barracks, a guard tower and 2 possible support/storage buildings is located adjacent to the barracks. Yung P'ing Military Complex appears to be division in size. No apparent change since

(b) Pi-chiang Military Camp (26 33N-99 09E), China, [REDACTED] - located within the confines of Pi-chiang; contains one messhall/admin building, 5 barracks and 2 support buildings. Immediately south of the camp is a walled area containing 2 large storage buildings and 2 small associated buildings. Camp appears to contain elements of one Battalion. No comparative photographic coverage is available for this area.

25X1D

(c) Kung-kuo-ch'iao Military Rest and Refuel Station (25 36N-99 17E), China, [REDACTED] - located within Kung-kuo-ch'iao where the Burma Road crosses the Mekong River. Station contains one large supply-type building, 2 support buildings and numerous small associated buildings. No comparative photographic coverage is available for this area.

25X1D

(d) Ts'ao-chien Military Camp (25 42N-99 07E), China, [REDACTED] - located approximately 10 nm north of Ts'ao-chien on the east bank of the K'ung-chiang Ho (River); contains 4 barracks type buildings, 3 storage/support buildings and 2 small associated buildings. No security is evident. Camp appears to contain elements of one Battalion. No comparative photographic coverage is available for this area.

25X1D

(e) Yung-lung Military Camps (25 55N-99 22E), China, [REDACTED] - located immediately north of Yung-lung and are individually secured. Area A - contains one admin/messhall building, 4 barracks, and 2 support buildings. Area B - contains one admin/messhall building, 5 barracks, one large storage building and 2 support buildings. No comparative photographic coverage is available for this area.

4. Area 3 - along the Nmai Hka from 26 degrees north to 28 degrees 30 minutes north between the Nmai Hka River and the Burma Border.

25X1D

Tangtung Area - Possible Military Barracks Areas (26 04N-98 35E), Burma: Area 1, [REDACTED] - consists of 3 separate barracks areas and is located approximately 4 nm north of Tangtung along the Ngaw Chang Hka (River), contains 35 small barracks. Area 2 [REDACTED] - contains 23 small barracks and is located 2 nm north of Tangtung.

25X1D

25X1D

Area 3 [REDACTED] - contains 38 small barracks and is located on the north edge of Tangtung. Area 4 [REDACTED] contains 27 small barracks, a possible H-shaped helicopter pad, and is located 4 nm south of Tangtung. The Tangtung Area - Possible Military Barracks Areas was first observed on [REDACTED]. There is no apparent change in areas since [REDACTED] (PI Comment: These areas do not appear to be military in nature.)

5. Area 4 - across northern Burma in the area between 27 30N and 28 30N and from 97 15E to 98 30E.
